

P.L PUBLIC SCHOOL

(BRAHAMPUR)

Dear Parents,

Welcome to P.L PUBLIC SCHOOL.

This school has been set up in collaboration with the 12 years, Prayag Sharma Smriti Sansthan. which has a long-standing tradition of excellence occupied with a caring, stimulating, and open ethos. I take great pride in the caliber of our excited faculty and staff who are experienced and committed to providing an outstanding inquiry-based program for their students both in the classroom environment as well as in our cocurricular programme.

Brahampur is a Village that is colourful and vibrant providing school children with a window on the excitement and challenges of India. As children observe and grow with the city as their backdrop, we actively encourage them to look with optimism beyond their place in the world and seek meaningful opportunities to enhance the lives of others around them.

Our school is a community in which students learn to respect each other as they participate in collaborative experiences. Student interactions are characterized by active learning, with students asking questions and solving problems. We believe in educating students in the academic domains and honing the qualities of courage, respect, optimism, and integrity.

P.L PUBLIC SCHOOL is an exciting and dynamic place to be, a reflection of the Village in which we live. I invite you to join us on this journey of learning and look forward to getting to know you and your child.

Warm Regards,  
Raj Kumar Sharma.
